FRED'S BIG RUN 50KM – TRAINING GUIDE

TERMS TO REMEMBER:

- 'Easy Run' means easy – you should finish feeling better than when you started.
- 'Tempo' simply refers to your breathing. By the end you want to be moderately out of breath.
- 'Fartlek' simply means changing your pace. For 'fartlek' sessions we recommend that you alternate between jogging and walking.
- 'Long Run' means your longest activity of the week. This should be done at an easy pace.
